The British Motor Museum is to host an exciting evening event on Monday 4 December, '*An Evening With McLaren*'. Visitors can join two of McLaren's Chief Engineers, Geoff Grose and Sandy Holford (pictured below), to gain an insight into the evolution of the McLaren supercar through the years and get up close to three of their iconic cars - the Artura, the 750S and the 12C. The evening will be hosted by Steve Cropley, Editor in Chief from Autocar and Trustee of the British Motor Industry Heritage Trust, within a relaxed environment with the chance for audience participation and questions.

From 6pm, visitors will be served hot drinks in the Welcome Gallery and at 7pm, they can

enjoy a delicious buffet-style supper before joining the conversation in the Lecture Suite.

Cat Boxall, Curator at the British Motor Museum, said, "With 2023 being McLaren's 60<sup>th</sup> Anniversary year, there is no better time to discover how this iconic British marque's relentless competitive drive has revolutionised the supercar world".

Tickets are on sale to the public through the Museum website and cost £27 per head with a discounted price of £22 available to Premium Members. All proceeds of the event go towards the vital work of the British Motor Industry Heritage Trust.
